Brand New Book ***** Print on Demand *****.The Gorilla Billies are the last living family of mountain Gorillas, who have only survived by retreating into the very highest reaches of their ancestral home, Moonshine Mountain. Even though they are a very rare endangered species, this is not what they want to be remembered as. They are the last custodians of a fantastic molten skin spaceship called THE GUARDIAN, gifted to them by the alien named GABRIEL. THE GUARDIAN can do fantastic tricks, such as invisibility cloaking, transporter beaming and shape shifting. All powered by its silent white-light crystal engine. This amazing craft is piloted by the Gorilla Billies alone, who swore an oath to protect and preserve all the endangered creatures still left on planet Earth. Follow their amazing adventures and rescue missions in this mesmerising book.
