I clawed desperately at the earth, dragging myself towards the fallen book of magic. All about, the battle raged and by the light of the fires I saw the swords clash and spark where my friends continued their fight against the witch s demons. I could not lose the book, not now, having come so far. And then, standing over me, Adefina Corvus smiled triumphantly. Rest easy, young Benjamin , the witch mocked as she knelt to lift the book beyond my reach. The fight is over. Your freedom lies in ruins. I am the vampire Benjamin Blake. This is my tale. The year is 1645, a time of momentous events in England, a time of war.and witchcraft. Far from the battlefields, young Benjamin Blake, an innkeeper s son listens eagerly to exciting stories until, in a single night, and with a single bite, life changes forever. Now the boy who craved excitement and adventure finds himself among the creatures of the night, in a race against time to decode a witch s book before she destroys them all.
