PERFECTLY CHARMING (PAPERBACK)

Amazon Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. A standout contemporary romance. -- USA Today's Happy Ever After Morning Glory native Jess Culpepper is desperate to get out of town after divorcing the only man she's ever dated. She takes a temporary nursing job in Florida and, thanks to the bequest of her late friend, Lacy, has the funds to rent a condo right on the beach. She's not prepared to literally trip over her old high school lab partner--and definitely not prepared for how deliciously hot he is now. Ryan Reyes, once known as The Brain, has worked hard to become more than the skinny nerd that jocks bullied and girls politely tolerated. At twenty-six, he has retired from science to run a charter fishing business in Pensacola and spend his leisure time catching up on the debauchery he missed. But when the unattainable girl of his teenage fantasies moves in down the beach, old feelings come flooding back. Their scorching attraction soon leads them into bed--but what starts as no-strings-attached fun is complicated by a return to Morning Glory and the shadows of their shared past. Can the head cheerleader and the geek redefine themselves and forge ahead to find their happily ever after?.
