Democracy and Development in India: From Socialism to Pro-business

By Atul Kohli

Oxford University Press, New Delhi, India, 2010. Paperback. Book Condition: New. First Edition. This book brings together three decades of scholarship on Indian politics from a comparative and historical perspective. It provides an overview of the evolution and interrelations between multi-party democracy and economic development in India from the 1980s to the present time. While making a case for a social democratic model of development for India, the volume: # emphasizes key challenges including issues of governance, developmental disparity, and inequality # analyses the political dimension of economic reforms # highlights significant debates on statesociety relations in India Size: 14 Cms x 22 Cms.

Reviews

Completely essential read publication. I am quite late in start reading this one, but better then never. You wont truly feel monotony at at any moment of your time (that's what catalogs are for regarding should you question me).
