BE BIGGER: TALKING WITH TREES SERIES (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Manuela Soriani (illustrator). Language: English . Brand New Book ***** Print on Demand *****. A story about treating friends with respect and kindness, even when feelings are hurt. Hurt feelings are no fun. So when a girl feels hurt by her friend, all she can think to do is hurt her friend right back. But the wise old tree at this playground has seen this cycle of nastiness before. The wise tree speaks up to help the girl find a more kind, respectful way to work out her friendship troubles. I understand. Your heart and your stomach are tied up in knots. If you leave Emma out so her heart hurts too, will that help you feel better? asked the tree. Not when you say it like that. That just sounds mean. But what else can I do? pleaded the girl. Through captivating illustrations and some chuckles, Be Bigger helps children to work through their emotions and to see a positive, respectful way of working out disagreements. The tree uses ages-old wisdom and loving encouragement to teach a growth mindset, encouraging kids to persevere through challenging situations. Free supporting worksheets and other teaching resources are available at Book 2 in the Talking with Trees character education series. Written for children grades K-4, Talking with Trees books include supersize pictures that engage children emotionally, helping them learn how to use their hearts and minds to guide them toward building good character traits.
