Halo Publishing International, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Cary Jane Ballas and Hunter George Ballas wrote Finlay s Garden together, in memory of a beloved son and brother who died one day short of five months of age. Finlay s Garden deals with the subject of death from the mind s eye of a five year old child who is trying to come to terms with loss. The Co-Authors shared hope is that Finlay s Garden, written to relate to people of all ages, can help children and adults who have lost loved ones find comfort as they read the story together. To this day, a heart-shaped garden with a blooming cherry tree commemorating Finlay s beautiful spirit has helped Finlay s parents and siblings feel Finlay s closeness and they know their guardian angel is never far away.
