Woof Publishing, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This guidebook is designed to lead you into the practical world of being present. The reason I can guide you is that I have put 30 years into learning exactly how to move from lost to found.from absence to presence. And the reason I m writing this is that it has been the most important journey of my life. Thirty years ago I seemed confident and capable even though I was uneasy in almost every situation. In business interactions, I was clear and precise even though I was entirely disconnected. I could not engage except by accident, and I was clueless as to why. How could I speak well, but have no depth and openness? I couldn t understand why others didn t get me - or why I wasn t powerful or persuasive. My words were there, but something crucial was missing. I can only be a guide if I ve been there, and I have. I can only bring the answer if I ve found it. And I have. I m not exaggerating, and I m not saying any of this for effect. What I discovered was that my words were there, but I wasn t. What was missing in my life was ME. Over the years, I ve learned that my clients, many of them major stars and high profile executives, felt the same way. They experienced the same discomfort and distance that I did. And they realized that something was missing. But what? To a person, no client has ever thought or believed that there could be an answer to this deep absence. But there is an answer. And it s real. It is simple and it...
