Harlequin Blaze, 2017. Paperback. Condition: New. Language: English . Brand New Book. This mission is out of control. Astronaut Isabelle Wolsten fought like hell to be one of the final candidates for the CRONUS mission to space. She can't afford to be distracted by teammate Antonio Playboy Curzon's broad shoulders, dark, sexy eyes and hot-as-hell Spanish accent. But one searing kiss from Antonio and Izzy knows she's definitely hit mission critical. When the two astronauts are put in direct competition for a top spot on the mission, they'll be tested beyond their limits. Getting involved with Antonio is dangerous--but not nearly as dangerous as the feelings Izzy's starting to have for him. With everything she's fought for on the line, falling for this space cowboy might just ground Izzy's dreams for good.
