InterVarsity Press, United States, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Ephesians has long been a favorite New Testament book among Christians. Its exalted language and soaring metaphors inspire devotion and worship. But too often the expositor's scrutiny has reduced this letter to a string of theological ideas and practical topics. Timothy Gombis has rediscovered Ephesians as a deeply dramatic text that follows the narrative arc of the triumph of God in Christ. Here Paul invites the church to celebrate and participate in this divine victory over the powers of this present age. In Gombis's dramatic reading of Ephesians we are drawn into a theological and cultural engagement with this epochal story of redemption. The Drama of Ephesians stands in the scantily occupied shelf space between commentaries and specialized studies in Ephesians, giving us a unified and dynamic perspective on this classic text. It is a book that will renew your excitement for studying, preaching and teaching this great letter of Paul.
