Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Have you ever wondered how to maximize literature beyond simply reading a story to your child? And how many times does your child ask to revisit the same story again and again? Have you found it difficult to read the story and see the story-line at the same time? The Lily Pad Series has been created to help parents, guardians, educators, and the home-schooling community with just that! Each book includes a variety of active and reflective questions, specific to each different title. Each book also includes mini-lessons and activities for different subject areas such as Physical activities, Mathematics, Science, Language Arts, Social Studies, Vocabulary, and Music. The Lily Pad Series offers parents and educators key tips on how to professionally present and educationally use literature in a variety of ways. The series utilizes learning through different modes of development such as through audio, visual, and tactile experiences. The books are designed to assist and maximize a child s experience with the book and literature. Adults are assisted with the reading, presentation, and curriculum design. The story-line is presented on one page for the child to view and also on the opposite page for the presenting adult. Vocabulary is highlighted within the text and active questions are listed for easy access for the adult.
