Crown Business, United States, 2011. Paperback. Book Condition: New. 206 x 132 mm. Language: English . Brand New Book. You know the feeling. You meet someone new at a party or at work and you just hit it off. There is an instant sense of camaraderie. In a word, you click. From the bestselling authors of *Sway*, *Click* is a fascinating psychological investigation of the forces behind what makes us click with certain people, or become fully immersed in whatever activity or situation we're involved in. From two co-workers who fall head over heels for each other while out to dinner and are married a month later (and fifteen years later remain just as in love), to a team of scientists who changed the world with the magic of their invention, these kinds of peak experiences, when our senses are completely focused on the moment, are something that individuals and companies strive to achieve. After all, when you're in the zone, you're happier and more productive. Why is it that we click in certain situations and with certain people, but not with others? Can this kind of magical connection be consciously encouraged? Is there a way to create such peak experiences, whether on a date or in your job? According to Ori and Rom Brafman, there is. In a powerful, story-driven narrative that weaves together cutting-edge research in psychology and sociology, the Brafmans explore what it means to click: the common factors present when our brain and senses are fully engaged. They identify five accelerators that increase the likelihood of these kinds of magic connections in our work and relationships. From actors vying for a role on a popular TV series to police officers negotiating with hostage takers, we learn how one can foster an environment where...
