iUniverse, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After Adam J. Reissner's lymphoma cancer returned in 2005, his doctor told him that if he did nothing, he only had two years to live. Reissner wasn't about to become a statistic, so he embarked on an unorthodox journey toward recovery. Conquering Cancer is Reissner's remarkable true story of how he shunned traditional medicine in favor of integral medicine and a holistic lifestyle to truly defeat his cancer. Through extensive research and his own experiences, Reissner came to the conclusion that established medicine poorly combats degenerative diseases. Instead of relying on prescription drugs and conventional procedures, Reissner believes a combination of becoming your own health advocate, creating wellness, and changing your lifestyle is the key to overcoming cancer. With easy-to-understand concepts and informative arguments, Reissner discloses his successful approach to curtailing cancer without being debilitated. Conquering Cancer shows you how to: Consume whole food complex nutrients Avoid toxic synthetic substances Practice a synergistic lifestyle Realize homeostasis is wellness Utilize cheap, safe, and simple cancer tests Exploit futuristic medical remedies today Taking responsibility for your own health is the first step in overcoming this devastating disease. With Conquering Cancer as your guide, you'll be armed with the knowledge to take on cancer and emerge victorious!.
