Reviews

Here is the finest publication i have read through until now. I am quite late in start reading this one, but better then never. I am just easily can get a pleasure of studying a created publication.

(Morgan Bashirian)

A CULTURAL HISTORY OF WOMEN IN THE MIDDLE AGES (HARDBACK)

Bloomsbury Publishing PLC, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book. The medieval era has been described as the Age of Chivalry and the Age of Faith but also as the Dark Ages . Medieval women have often been viewed as subject to a punishing misogyny which limited their legal rights and economic activities, but some scholars have claimed they enjoyed a rough and ready equality with men. The contrasting figures of Eve and the Virgin Mary loom over historians interpretations of the period 1000-1500. Yet a wealth of recent historiography goes behind these conventional motifs, showing how medieval women s lives were shaped by status, age, life-stage, geography and religion as well as by gender. A Cultural History of Women in the Middle Ages presents essays on medieval women s life cycle, bodies and sexuality, religion and popular beliefs, medicine and disease, public and private realms, education and work, power, and artistic representation to illustrate the diversity of medieval women s lives and constructions of femininity.
