Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s a magical source of strength and power-a formidable object that many would be willing to kill or die for. Now, in the once peaceful land of Karran, a war rages over the ownership of this precious flame. As nocturnal Maggan hordes infiltrate the land, the young warrior Clarian must lead his army to drive them back into their sinister home-a deep cavern in the heart of the darkest forest. Unfortunately for the people of Karran, that s far from everything the enemy has in store. In a carefully planned act of sabotage, the Maggan leader sends a secret weapon designed to distract Clarian from the task at hand: his beautiful, raven-haired granddaughter Neevan. But when a powerful romance emerges between Clarian and the enemy maiden, is it possible her loving embrace is nothing but an act of betrayal? Or could these blossoming feelings be the beginning of a true forbidden love affair? Set against the backdrop of a devastating religious conflict, Die for the Flame is a tale of danger, betrayal, and the awe-inspiring power of love in a fantasy world where battles on horseback by sword, bow, and lance still rule the day.
