

The Timber Resources of Delaware (Classic Reprint) (Paperback)

By Roland H Ferguson

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Timber Resources of Delaware The first forest survey of Delaware was made in 1956 by the North eastern Forest Experiment Station. A resurvey was made in 1971 with excellent help and cooperation of the Delaware Department of Natural Resources and Environmental Control. Aerial photographs used for this survey were also supplied by the Department. The resurvey of the State was directed by Carl E. Mayer, leader of the Forest Survey Project. He was assisted by John R. Peters, who supervised the field crews; Joseph E. Barnard and David R. Dickson, who applied the general sampling procedures used by the Forest Survey to meet the specific requirements for the Delaware inventory; James T. Bones, who, with the cooperation of the Department of Natural Resources and Environmental Control, collected and compiled data on timber products output and plant residues; Teresa M. Bowers, who assisted in computing and compiling data for the sampling design and the tables in this report; and Carmela M. Hyland, who assisted with administrative services for the field crews and typed the manuscript and tables. The authors and...

Reviews

Basically no terms to explain. I have read and so i am certain that i will gonna go through once again once more in the future. I realized this ebook from my dad and i encouraged this book to discover.

-- **Forest Little**

This is actually the very best publication i have read through till now. It is definitely simplistic but unexpected situations in the 50 % in the pdf. You can expect to like just how the article writer compose this pdf.
