Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from British Amphipoda of the Tribe Hyperideae and the Families Orchestidae and Some Lysianassidae I purpose in these notes to revise the species of British Amphipoda, and at the same time give an account of the Amphipoda procured during the North Atlantic Expeditions of the Porcupine, Valorous, Knight Errant, and Triton. The records of the larger number of the captures of these expeditions will fall under the British species, but in those instances where the Species are not members of our fauna, that which relates to them will be enclosed in brackets.
