She has culled from the best traditions around the world and developed new ones, combining spiritual as well as humanist aspects. This guide includes poetry, prose, scripture, prayers, vows, opening words, and closing blessings; moving rituals including candle-lighting, naming, and anointing; suggestions on embracing grandparents, godparents, and siblings; practical advice for working with officiants and locales; language appropriate for an interfaith, intercultural assembly of family and guests; sample ceremonies that demonstrate how creative alternatives and traditional aspects can blend to create a memorable event. Warm and encouraging, *Bless This Child* provides a guidebook for parents who wish to create a special way of welcoming their child into the world. *Bless This Child* is also an excellent resource for clergy and humanist officiants who perform interfaith baby blessing ceremonies.
