Brand New Book ***** Print on Demand *****.CONSTITUTIONAL INDEPENDENT America represents a unique, shining example in government. Its success is the envy of people all over the world. Its history is proof that freedom to pursue happiness is a powerful incentive. This simple, government concept defined in the US Constitution is a powerful force that generates unprecedented economic success. As a result of this unprecedented success, many countries depend on America for military, charitable and economic support. America is truly Atlas to the World! The \$3.6 Trillion Annual Federal Budget with continuing deficits adding to the \$17 Trillion National Debt clearly indicates a government that fiscally threatens insolvency and the survival of the United States of America. Will Atlas America be forced to shrug? What is needed is Recurrence to Fundamental Principles which is necessary to maintain a free society. This book will present the example of a new Federalist check and balance; a State ratified Federal Limit Amendment. Also >40 initiatives are proposed to reestablish truly constitutional operation of the Federal Government. The need for a 3rd party is also considered.
