

Identity Protection: The Security of God's Firewall (Paperback)

By Ervin K Thomsen

Healing Stream Publications, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Identity Protection-The Security of God's Firewall. This book unpacks and decodes the deeper meanings of the apocalyptic symbols of Babylon the beast and the Lamb as they occur in the book of Revelation, particular in the three angels messages of Revelation 14:6-12. Utilizing the paradigm of identity as our internal operating system, and the terms of malware, uploading, downloading, and other IT terms, the author exposes the damages of spiritual identity theft in our lives, and shows how the everlasting gospel of Jesus Christ, the Lamb of God, can repair all the damages to our identity inflicted by the Babylon and beast viruses--a restoration of our original operating system of the image of God. The following excerpts from the book powerfully, but simply, illustrate how God diagnoses the sin-disease in our lives and provides His healing, not through do-it-yourself formulas for self-improvement, but through the redemptive work of Jesus Christ. Damaged identity: your performance plus the applause of others to that identity. Restored identity: believe what God thinks of you. The enemy's malware: the Babylon virus of looking for love...
