

A Return to Modesty: Discovering the Lost Virtue

By Wendy Shalit

Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, A Return to Modesty: Discovering the Lost Virtue, Wendy Shalit, When A Return to Modesty was first published in 1999, it began an important and much-needed national conversation. Wendy Shalit persuasively argued that modesty is not some hang-up we should set out to cure, but rather a wonderful instinct that, if rediscovered and given the right social support, has the power to transform society. Now, in this newly revised edition, Shalit backs up her claim with the latest trends and research to prove that the issue is just as pressing today as ever. Unfortunately, many problems Shalit originally explored, such as date rape, harassment, and most alarmingly, the sexualisation of young girls, have only become more prevalent. A Return to Modesty is a deeply personal account as well as a fascinating intellectual exploration into everything from seventeenth-century manners to the 1948 tune "Baby, It's Cold Outside."...
