He has contributed largely to periodicals, and has written in many veins, alternating serious and religious works with sensational novels, and literary criticism with humour and sport. It is by his imaginative booklets--now collected in one volume under the title of Visions--that he is best known. These booklets have circulated literally by the million, and have been translated into no fewer than sixteen languages, including Chinese. A Dead Mans Diary appeared anonymously in 1890, and attracted unusual attention, the authorship being attributed, among others, to Harold Frederic and Robert Buchanan. Since then A Dead Mans Diary--of which Mr. J. M. Barrie, in reviewing it, said, The vigour of the book is great, and the author has such a gift of intensity that upon many readers it will have mesmeric effect--has gone through innumerable editions, in England and in America.
