Glenn Jackson, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Leadership is personal. Leadership is powerful. Leaders are those people who set the tone and the stage for the life many others live. Yet, leaders are also individuals with a set of internal principles. These principles establish the basis for the decisions that leaders make. The impact then of principles determines leadership. Principled Leadership; A Balancing Act for a Lifetime (Hereafter referred to as simply Principled Leadership) addresses the values generated through the principles of leadership. What values support positive leadership? How do you get them? Where do they come from? How can a person establish a foundation that can withstand the onslaught of life? These are the type of questions Principled Leadership discusses and answers. This is not a book about religion. However, it clearly establishes that the strongest foundation one can have is a foundation balanced on the values that are found through faith, belief and the spiritual awareness and wisdom gained while living in this physical world. These values, like wisdom and honesty, become foundational for building character, not mere off shoots or accidental leaning from life. Once a person begins the journey to Principled Leadership a lot of work is required. Much of the work is internal evaluation, reconciliation, forgiveness and change. However, there are many things to do that show the world the fruit of those changes and many ways to interact with others. This interaction can be both a blessing and a hard fought effort - depending on the strength of your values. Principled Leadership takes a step toward this by establishing these principles in and as a fundamental element of leadership. This does not mean we should elect politicians who...
