HarperCollins Publishers Inc, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. The Mage witch, Skye, is a gentle spirit whose substantial power has been enslaved by the dark forces ruling the Mage. When she s ordered to use her siren s song to capture a Feral Warrior, and use his body to raise the passion and power the dark forces need to free the Daemons, she has little choice but to obey. Paenther hates the Mage with a fury long ago burned into his soul and wants nothing more than to destroy his seemingly gentle captor. But the animal inside him responds to the lovely creature as he never has another, and Paenther begins to wonder if Skye may actually be what she seems - a prisoner as enslaved as he. When he makes his escape and drags her with him, he must decide if this woman who fills him with unearthly passion and raises in him a fierce protectiveness is really a dark enchantress after his soul. Or the love of his life.
