Now in his second year as a superhuman cadet-in-training, Tom's been promoted to a mid-level member of the elite training corps known as Camelot Company, or CamCo. As training intensifies and the moment arrives to impress the multinational corporations who will make or break the cadets' careers, Tom finds himself drawn into a power struggle that's more dramatic - and with far higher stakes - than anything he ever imagined. There are nefarious new enemies to outwit, old friendships that take on new faces, a romance that Tom is encouraged to betray, and an increasing desire on Tom's behalf to demand nothing less than 'justice for all' - even if he sabotages his own future in the process. But what will his idealism cost? Filled with camaraderie, wit, action and intelligence, the second book in S. J. Kincaid's futuristic trilogy continues to explore fascinating and timely questions about power, politics, technology, loyalty and friendship.
