THE SERPENTINE PATH

AuthorHouse. Paperback. Condition: New. 220 pages. Dimensions: 8.8in. x 6.0in. x 0.3in. Captivating and gripping, The Serpentine Path is written for people who share an interest in how individuals have evolved over the years and its words hint at what future expectancy holds in the balance. This adventure into script concerns the inhumane actions of mankind and the ever-present play on power over less capable persons is by virtue of its subject intricate and no effort has been made to downplay its perplexity. It is about panic, paranoia, and people who believed in things and beings that did not exist and the authors are concerned that such eventuates will not go away since man against man in the name of a merciful God has been proven and is clearly a perpetual. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
