Circler Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Strip away everything external, and the act of writing becomes profoundly physical: writer, writing tool, medium. In this anthology of erotic stories, THE FLESH MADE WORD, editor Bernie Mojzes shows that from that seed grows the deepest intimacy - the hidden self expressed upon a surface, transforming it in the process, naming erotic possibilities. The tap of typewriter keys on ink-wet ribbons, the tickle of the calligrapher's brush, the press of fountain-pen nib to flesh. The scent of hot metal molded into text and the shuffle-clank of the printing press. Give yourself over to the sensuality of the words themselves, to the sound and the shape and the taste of them. The expression of ideas intersects with the body in all its physicality; pleasure is never distinct from how we express it. Ten writers explore the seduction of written language from the sensual to the lewd, from a mysterious woman whose lovers write their stories upon her skin to a playwright who declares to his rival that he does his best writing in warehouses. A broken typewriter awakens the searing ghosts of desire, and a woman becomes a living scroll of prophecy. Permanent or ephemeral, the lines etched in flesh reveal an astonishing vulnerability, offering both the opportunity for profound insight, and an instinct to hide and dissemble. The Flesh Made Word features stories by A.C. Wise, A.B. Ebers, Andrea Zanin, Benji Bright, Trish DeVene, Nadine Wilmut, Delilah Bell, Kannan Feng, Sasha Payne, and Sunny Moraine, who show that while the word may indeed transcend the flesh for a time, it always comes back for more.
