Partridge Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the very beginning, I believed that every moment of our life has a story written in it, because its unpredictableness breeds countless possibilities. Its only because we are so tuned to our mechanical jobs that we do not keep a track of it. As we grow old, the stories are written on the hard disk and then deleted simultaaneously, for we have better things to do than remebering silly episodes. Therefore, I turned to my childhood. Where little incidents have shaped my life. Where a girl taught me what is struggle. Where a school showed me what is friendship.And where a friend demonstrated the true worth of fellowfeeling. This book has just captured those moments and some other stories as well, some funny, some poignant, which either I have encountered or listened somewhere. I have no pretension of being a great writer. This book is written in a very day-to-day english, because I feel ornamental language destroys emotions. Being my first attempt, I have also no idea about the rules of writing, if something of that sort exists. The tales are just the reflections of my feeling. Hope, the esteemed readers enjoy.
