

Prehistoric: The Rise of Humans (Paperback)

By David West

Hachette Children s Group, United Kingdom, 2015. Paperback. Condition: New. Illustrated edition. Language: English . Brand New Book. In twelve beautifully crafted scenes, discover a world where a new kind of mammal has appeared from the disappearing forests and has begun to walk on two legs. From simple tool-making to mastering a control over fire, witness the evolution of our ancestors as they leave Africa and spread - taking over the world. The two titles in this series, Prehistoric! are a wonderful exploration of an amazing period in pre-history. Plenty has been written about the dinosaurs but these books offer readers aged 7-9 the chance to develop wider historical interests.

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
