## SPECTRUM (PAPERBACK)

Samantha Mina, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Since the dawn of Second Earth, the Island of Fire has awaited the arrival of the one mage whose dominion over the global magic network-the spectrum-will enable her to rescue the primitive, totalitarian nation from obscurity. But, when Scarlet July is born, her extraordinary magic unexpectedly renders her a third-class citizen, denied the right to education, employment and, ultimately, life. Evading execution, Scarlet finds herself orphaned and alone, struggling to survive and find her purpose. Three-thousand miles north, in the ice island of Ichthyosis, Diving Fleet Commander Cease Lechatelierite has never had to question his purpose. Since childhood, he s been set on track toward one goal: to annihilate magekind. But, when he comes face-to-face with Scarlet and learns her story, what will become of the convictions he s held since birth? This six-part series follows an eclectic cast of teens fighting to find their place in the wars plaguing their dystopian world. From fantastical world-building, to combat sequences, to geopolitics, to the exploration of a soldier s psyche, to social commentary, to the turmoil of young adulthood, to forbidden romance, Spectrum is a fast-paced, character-driven, sci-fi/fantasy adventure for the Hunger Games generation.
