Reviews

This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so i am sure that i will gonna study once more yet again later on. I am very happy to inform you that here is the finest publication i actually have read inside my personal daily life and might be he best publication for possibly.

Paperback. Book Condition: New. Not Signed; With an Introduction and Notes by Sally Minogue The Shirley of the title is a woman of independent means; her friend Caroline is not. Both struggle with what a woman's role is and can be. Their male counterparts - Louis, the powerless tutor, and Robert, his cloth-manufacturing brother - also stand at odds to society's expectations. The novel is set in a period of social and political ferment, featuring class disenfranchisement, the drama of Luddite machine-breaking, and the divisive effects of the Napoleonic Wars. But Charlotte Brontes particular strength lies in exploring the hidden psychological drama of love, loss and the quest for identity. Personal and public agitation are brought together against the dramatic backdrop of her native Yorkshire. As always, Bronte challenges convention, exploring the limitations of social justice whilst telling not one but two love stories. book.
