Man and the Zodiac

By David Anrias

Astrology Classics. Paperback. Book Condition: New. Paperback. 232 pages. Dimensions: 8.4in. x 5.5in. x 0.7in. In Astrology it has long been known that the sign of the zodiac, rising in the east at birth (the ascending sign), largely determines physical appearance. In this book David Anrias shows what each sign looks like when rising. He goes further and, dividing each sign into 10 degree sections (known as decanates), shows how appearance changes, from early degrees, to middle degrees, to late degrees of the same sign. All 36 drawings are by the author himself, who was an accomplished artist and a keen observer. Twelve of these you will find in the frontispiece, the remaining 24 are in Book 1, chapter 7. While other artists have sketched the twelve basic types, and one or two have given variations on some of them, Anrias is the only astrological artist/writer to make systematic sketches of all 36 variations. Anrias follows this with deft character sketches. If a given decanate (the third decanate of Libra, for example) produces a distinct face, it also produces a distinct personality. Of this book, Dr. H. , of Regulus Astrology LLC (author of A Rectification Manual; America is...

Reviews

Most of these ebook is the ideal pdf readily available. it was actually writtern quite flawlessly and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.
