Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This literature anthology volume contains Ralph Waldo Emerson s Nature and Henry David Thoreau s Walking. The two respective essays are the two most important essays in the environmental movement. Ralph Waldo Emerson was an American essayist, lecturer, and poet who led the Transcendentalist movement of the mid 19th century. He was seen as a champion of individualism and a prescient critic of the countervailing pressures of society, and he disseminated his thoughts through dozens of published essays correspondence and more than 1,500 public lectures and speeches across the United States. Ralph Waldo Emerson s essays correspondence and speeches encompasses a number of subjects, never espousing fixed philosophical tenets, but developing certain ideas such as individuality, freedom, the ability of humankind to realize almost anything, and the relationship between the soul and the surrounding world. Ralph Waldo Emerson wrote most of his important essays as lectures and speeches first, then revised them for print. In Ralph Waldo Emerson s essay Nature, Emerson puts forth the foundation of transcendentalism, a belief system that espouses a non-traditional appreciation of nature. Within the essay, Emerson divides nature into four usages; Commodity, Beauty, Language, and Discipline. According to Ralph Waldo Emerson, those four distinctions define the ways by which humans use nature for their basic needs. Emerson followed the success of his Nature essay with a speech called The American Scholar, which together with his previous lectures laid the foundation for transcendentalism and his literary career. Walking by Henry David Thoreau is an essay that was published posthumously in 1862. Walking is considered to be one of Henry David Thoreau s seminal works, so much so that he once wrote of the lecture, I...
