## VAMPIRE SORCERESS (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Michael and Amethyst Romanov are taking a whistle stop tour of Europe. Not for the breath-taking scenery or to sample fine wine and local dishes. Every museum and library is searched and scoured with a fine tooth comb in every country, searching for the true Drukkerebema. The Romany Gypsy prophesies of the Avalonian witches and the birth of their most powerful member has been missing for centuries. The search takes them to Rasnov, a small Citadel high in the Carpathian Mountains of Transylvania. They find some very distant and odd relatives who have many tales of Avalonia across the seas, tales that have been passed from mother to daughter for centuries. Michael is also concerned for Amethysts safety as Avalonia is under attack once more and Amethyst s intuition of them being followed by a reluctant force is soon confirmed. She misses home, but her inquisitive side soon wins the battle and she must decide where her loyalties lie; either in this life or the next death, it matters not to a Vampire Sorceress.
