Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Pathology and Treatment of Diseases of the Ovaries: Being the Hastings Prize Essay of 1873 Since the first edition of this book appeared in 1873, my experience of the subjects it deals with has greatly increased, and necessarily the present work has grown in size. I have found reason to change my opinion on some points, but they are of much less importance than I thought they would be when I first sat down to write these pages. I have seen far more reason for extending what I had to say; for the marvellous success which now attends the efforts of those who practise abdominal surgery has fallen largely to my lot, and therefore records of things accomplished, and opinions expressed upon them, will be found in these pages, which, eight years ago, were certainly beyond the limits of acceptance. Since then, however, great advances have been made, but much yet time remains to be done, and all must rest upon the patience of the workers and the forbearance of their critics. For many...
