Brand New Book ***** Print on Demand *****.Little Susy and her beloved grandma share a special bond. Every day, they take a special walk together to special places where they revel in the beauty of nature and all it offers. As Susy and her grandma look for special sights to see, they soon encounter a beautiful spotted lady bug, a woolly bear caterpillar, a black swallowtail butterfly, and a bright red cardinal. With each new discovery, Susy is amazed at the splendor she and her grandma uncover as they walk through flower gardens and cow pastures and watch as the clouds move like white sheep across the sky. But one day when Susy wants to walk to her favorite spot, her grandma is not there; her mother says Grandma is gone and will not be back. On her favorite walk, though, Susy soon discovers that her grandma has not left her at all. Grandma, It s Beautiful is an inspirational story of love that brings an eternal message of hope and belief that God always cares for each of his exquisite, unique creations.
