That s what Calliope Crown s old high school classmates want to know. Now it s five years later and Calliope s gone from fat to fit in a year-long transformation with a world-renowned self-help guru. When funds she s always counted on fall through, she moves to ritzy Boca Raton to work for her snobby aunt s beachside bakery and face the same temptation that put her in the body she so desperately wants to forget. Calliope may be armed with a new identity, but old self-images don t die fast, and true self-esteem isn t something you can buy online with a credit card, even though her guru would suggest otherwise with the prices of his webinar course and weekly regimen. Enter one cute and dedicated handyman and Calliope begins to see the world in a new light. Connecting with him, as well as new friends and Internet followers may just prove that life s detours can sometimes reveal our truest identities in the most unexpected of ways.
