leArtsinc., 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A Training Ground for Love: Couples Relationship as a Path to Light is part philosophic treatise, part spiritual manual, part relational guide, and part introduction to the voyage of the soul. The way of the couple thus becomes a spiritual discipline that guides us through life, as emotional development is spiritual actualization. The book insists that emotional maturation is the methodology of reincarnation, and includes notes on the process of dying. A Training Ground for Love concludes that the origination of religions, spiritual philosophies, and...
