### **Reviews**

*This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.*

DEBOLSILLO, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book. Hablar de algunos de los tiranos mas conocidos del siglo XX a traves de la vision de sus esposas, amantes e hijas, y del lugar que la mujer ocupaba en sus proyectos megalomaniacos, es poder ahondar en la historia europea desde otra perspectiva y ampliar la comprension de las tragedias sociales por medio del analisis de las tragedias domesticas. Es como meterse por la puerta de atras de las dictaduras, dice Rosa Montero en el prologo de este maravilloso libro que aborda el poder de las mujeres a la sombra de Hitler, Franco, Stalin y Mussolini. Junto a un equipo de television, Rosa Montero viajo por Rusia, Alemania, Italia y Espana. Alli entrevistaron a familiares directos de los dictadores, visitaron sus bunkers, sus tumbas, sus despachos privados, y reconstruyeron la intimidad de los tiranos y su relacion con la devastadora historia de las dictaduras. Este libro es el resultado de ese trabajo y de la colaboracion de prestigiosos historiadores internacionales. Por que se suicido la segunda esposa de Stalin? Que relacion tenia Hitler con Eva Braun? Y Clara Petacci con Mussolini? Por que la mujer de Franco tuvo tanta importancia en su vida publica? Hitler llego a decir que no se casaba porque se consagraba a Alemania. Y Mussolini afirmaba que las masas y las mujeres nacieron para ser violadas. Dictadoras muestra como se relacionaron los lideres de regimenes totalitarios con sus mujeres y en consecuencia, con la sociedad en su conjunto. ENGLISH DESCRIPTION Talking about some of the most well known tyrants of the 20th century through the eyes of their wives, lovers, and daughters, and about the place that women occupied in their megalomaniac projects, is to be able to go deeper into European history from another perspective...
