As Cindy investigates, she meets the different characters on the island, some local, some fantastically rich, all of whom seem to be involved with each other, either romantically or in shady business dealings. As Cindy uncovers secret affairs, odd money dealings and drugs, she realizes there is a complex web on the island, hidden from public view. And as she digs deeper into Ames life, she is shocked to discover how many secrets he had been hiding from his wife - and that she never really knew the man she loved. The police at first refuse to take her seriously, but they soon gain respect for her tough intelligence, courage and determination. Cindy s relationship with one cop in particular, Mattheus, develops in unexpected ways, as they give each other solace from their losses. But Cindy digs too deep. Soon, she finds her own life in peril, as she heads into the dark underside of the island. Startling developments in the investigation lead to a shocking ending, as a body is discovered, and Cindy alone must find out if they ve convicted the wrong person.
