Wisdom House UK. Paperback. Book Condition: New. Paperback. 406 pages. Dimensions: 8.4in. x 5.4in. x 1.0in. This dictionary delineates the meaning and use of various concepts, techniques, tools, approaches, types and processes of social research. It also incorporates various issues and problems related to research. A large number of entries relating to mathematical and statistical aspects of research are used so as to help the researcher in the successful formulation, analysis and execution of the research design and carry the same towards its logical end. This book makes use of approximately 650 entries on the important concepts and precepts of research with cross references where necessary. It covers the whole range of terms used in social science research. The entries are given precise but full treatment. This dictionary defines as well as explains the matters pertaining to social research. B. N. Ghosh, PhD (India), M.
