The Awakening: The Last Great Paradigm Shift is a refreshing and enlightening look into the seemingly unexplainable malaise that has taken hold in the modern day Christian church. As we take a peek into the twenty-first Century American Church, we see what appears to be a new phenomenon that is unfolding. This development has both Pastor and parishioner grappling for answers. There is a group within the Church, which, in large part, has provided the inspiration for the writing of this book. This group is experiencing a falling away within the end time Church of today. This group of believers still loves God and has a strong affinity for the things of God and, yet, they are experiencing an emptiness that is overwhelming and, furthermore, are no longer getting the satisfaction they once received from the Church. The Church and its status quo attitude and behavior is no longer fulfilling, satisfying or gratifying and the resultant emptiness is overbearing. And two questions that beg to be answered are why is this state of apostasy now so prominent in the Church and how did we get here? This book, among other things, tackles these issues from both a Biblical and historical perspective. This book is truly a must read for the end time believer in search of spiritual truth, insight and awakening. This book will challenge the modern day believer to look at where they are, to choose who they are going to serve and if they are willing to do it God's way. After having read this book, I feel challenged all the more. Rev. P Spears The Awakening is truly enlightening for the seeking, searching, 21st century believer. A...
