

## Zero +One - The Dataminer Twins: School Will Never Be the Same (Paperback)

By Willie Bellew

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.We live as one or we all die. The future of all high school sophomores hangs in the balance of The Project. As preschoolers 30 kids were chosen to take part. They would start 1st Grade with two special robots. At a billion-dollars each, these bots would learn from their classmates and their bodies would emulate the changes a typical teenager goes through. To some it is a spectacular success; to others it is a heinous crime. To one foreign spy organization it is a lifetime s work to steal and study the potential of these unknowing robots. The World will someday reach unification with all blurred lines removed between man and machine. In getting to know their typical conflicted friends, we learn that science does not know everything. This experience will change how you think of moody teenagers; they might just be billion dollar babies.
