Every step he takes and every decision he makes has unforeseen consequences. His life will never be the same. Becoming a cop changes everything you thought you knew about life. Midnight Sin is an inside look at the dark and mysterious world behind the cop s badge. Rookie cop Gary Hollings quickly learns that wrestling street thugs and arresting drug dealers while trying to track down a serial rapist is nowhere near as tough as watching his back from his fellow cops. He must also fight his inner demons - ones that he never knew he had until he put on that police uniform. The police world is one of long hours and split-second decisions where the choices are not always clear. Midnight Sin is a gritty cop novel that explores the complexities of the cop psyche. Once you start reading you will not be able to stop. Michael has reached deep inside and managed to capture his heart and soul as a cop - the joy of helping others as well as the fear and loathing felt so deeply as they are forced to deal with the worst our society has to offer. My heart was pounding. This is a powerful story told by someone who has captured the feelings of all of us, no matter which side of the law you happen to be...
