Lulu.com, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Mysteries of the Everlasting Kingdom is the first book in a series of four on Bible commentary. The unique feature of this series is that the verses quoted are from my own version of the Bible-the Gabriel Bible, with a few noted exceptions It is the first Bible to include the Creators actual name-Yehovah, as found about 50 times in the oldest known complete Hebrew Bible, the Leningrad codex. The lead chapter in the series is called Israel s Seven Apocalyptic Days. It explains how the seven annual Feast and Festival days (there is a difference) all have a strong End Time significance. Those seven days will be more relevant in the near future than in any time since Moses revealed them! That significance will all occur within the span of seven months during the year 6000 (4000 being the year Yeshua (Jesus) referenced in Luke 4:21, Today this Scripture you just heard read has been fulfilled.
