## POTTERY YOU CAN USE: AN ESSENTIAL GUIDE TO MAKING PLATES, POTS, CUPS AND JUGS (PAPERBACK)

Search Press Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Is it that it holds just the right amount of tea or coffee? Is it that it sits comfortably in the hand with an ample handle that allows you to hold it safely? Is it the clay the cup is made from - a fine porcelain or robust stoneware? Is it the rustic shape or refined, delicate, traditional or contemporary design? Maybe you just like the pattern on the outside! It adopts a low-tech approach that is understandable and accessible for all and begins with the basic questions you will need to address before you begin. Each element of the process will be carefully considered, from deciding the function of the item to working out proportions and making basic drawings, to choosing the right clay, tools, and making method, and finally glazing and firing, including safety issues and the essential topic of suitability for food. Each chapter begins by presenting a varied range of basic shapes, be they thrown or hand built. The next section demonstrates a wide selection of handles, rims, feet, lids, knobs, spouts,...
