BETWEEN PERCEPTION AND ACTION (PAPERBACK)

Oxford University Press, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. What mediates between sensory input and motor output? This is probably the most basic question one can ask about the mind. There is stimulation on your retina, something happens in your skull and then your hand reaches out to grab the apple in front of you. What is it that happens in between? What representations make it possible for you to grab this apple? Bence...
