This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

WHY SHOULD WE KNOW ABOUT THE APOCALYPSE?

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I remember driving to my office one morning, and was admiring the beauty and splendor of the magnificent sky with a wonderful red sunrise. As I drove along the Lord spoke to my heart and He said to me. Carl, you know how that you preach My Word week after week, and you feel like that no one ever really listens to what you are saying. I thought to myself, yes Lord I do. He impressed upon my heart that one day soon I will not be here to preach His Word. One day soon, He will call His Church home to heaven, where He is. The thought came to my mind to write down what His Word says will happen after He calls His church home. I believe that Jesus was telling me that the people may not listen to what I am trying to tell them now, but they might pick up this book after I am gone. I pray that if they do read this during the Tribulation period, that they will understand what is happening and that they will be saved. I also pray that if anyone who is not saved and reads it before this terrible time comes, that they will receive Jesus as their Savior. I also pray that if you have already received The Lord Jesus as your Savior, that you will get a special blessing from reading this book.
