Casemate Books. Hardback. Book Condition: new. BRAND NEW, 7 Leadership Lessons of the American Revolution: The Founding Fathers, Liberty, and the Struggle for Independence, John Antal, This book is about leadership. It tells the dramatic story of seven defining leadership moments from the American Revolution. On these pages you learn about real people facing historic challenges and overcoming what reasonable observers believed were insurmountable odds. More reasonable people might have surrendered or given up. Many reasonable people did. These leaders, thankfully, were unreasonable for the cause of Liberty. The leadership skills told in these stories are timeless and telling. These leadership stories tell the story of the birth of the United States as well as providing case studies that can improve your leadership at home, business, in your community, in the military or in government. Good leaders don't shine, they reflect. Lessons like these are the core of this book. Leaders like Samuel Adams, Patrick Henry, Henry Knox, Benjamin Franklin, and George Washington, to name a few, are stories you will want to know and tell. These leaders knew how to impel teams to succeed under the toughest conditions. These stories will come alive on the pages of this book to fuel your leadership fire and make you a better leader in any endeavor. Leadership is...
