Xlibris Corporation. Paperback. Condition: New. 802 pages. Dimensions: 9.0in. x 6.0in. x 1.8in. EVERYONE FOR EVERYONE the book (volumes I and II) by Samuel A. Nigro, M. D. The Everybody for Everybody Book is the accumulation of what was learned over 70 plus years of life, over 45 years of marriage, over 40 years as a psychiatrist, 3 years in the U. S. Navy Submarine Service, and as a first generation American with five children and ten grandchildren. The planet and mankind are amazing. To limit ourselves to behaviors as if there is nothing more, is contradicted by an accurate comprehensive understanding of the planet and the universe. Basically, love is superior to all and the universe is the entropy necessary for the expression of love. Love itself requires there to be more. Nothing more is a cruel joke that life and love are meaningless. All logic and reason demand there be more, and we should act as if there is even much more love in anticipation. And if there isnt, then there ought to be! Regardless, the world would be better by believing in such and acting as such. The book provides some articles but most of it is the way to live a transcendental life: organized matter sanctified and given a soul by identity, truth, oneness, good and beauty for everyones life, liberty, and pursuit of happiness partially the subtitle of the book. You get substance and the transcendental principles for living that save by actuality for a change. This is in contrast to the virtual reality culture of the unreliable manipulating self-discrediting noisy glitzy press and media imposed substanceless non-being which, by suggestibility, turns us into choiceless aliens instead of free persons for the planet. By the self-worshipping self-discrediting press and media, we are on the madman road-rage race to...
