With Gracie away at college, she now has time to invest in her Bed and Breakfast, as well as her secret songwriting job. Trouble starts though when a handsome singer comes looking for a room, forcing Izzy to decide if it s worth opening up her heart again, especially to a much younger man. Pop sensation Chase Lockhart owes his overnight fame to one song penned by an anonymous writer. Desperate for more chart-toppers, he travels to Oregon to collect the other songs she owes him. Finding her is the least of his troubles; getting past her defenses, including her dog who hates him, proves to be the real challenge. Can a shared love of music lead a pop star and a single mom to fall in love? Anything s possible in the small town of Romance.
